

# Rick Jacobs Makes 2nd Team All-Bay League Basketball

High scoring Rick Jacobs of North High School was named to the second string all-Bay League basketball team Tuesday by the eight man selection board which met at Mira Costa High.

The bespectacled junior forward, who scored 205 points during 14 Bay League games, and 323 in 21 games for the season, was one of six players named to the second team.

Mira Costa and Santa Monica, co-champions, and second place Inglewood, dominated the pickings with four, three and three players, respectively, on the three teams selected.

Samohi had two players on the first team, guards Kenny Graham and Lonnie Collins.

**THERE WERE** no first string repeaters from last year's mythical all-star squad.

Only one junior, skyscraping 6'7" center Vaughn Hoffman from Inglewood, made the first team.

Jacobs and Leuzinger's 6'8" Steve Fruchey were the lone juniors on the second team.

**NORTH** competed in its first Bay League basketball season this year, after four previous seasons in the Pioneer League. Jacobs spent his first season on the varsity.

The bespectacled 6 footer carried a 14.8 Bay League average, third best in the conference. His 15.3 season average also led the Saxons.

Mira Costa's Joey Moeller, the Bay League's top individual season and single game individual scorer was the only unanimous selection on any of the three teams picked.

**MOELLER'S** SINGLE game high was 43 points, made, on the last night of the season against Redondo.

Players from every school in the league — save last place Morningside — were included in the selections.

Head basketball coaches at each of the league's member schools made up the selection board.

**THEY WERE** Bill Wood, North; Dean Sempert, Mira Costa; Mel Seifert, Redondo; Buck Smith, Inglewood; Dick Beede, Santa Monica; Larry Smith, Morningside; Carroll Adams, Leuzinger; Duff Means, Hawthorne.

"Hot Spot" for this week is Winter Haven, Calif., located right on the Colorado River just across the bridge from Yuma.

Cattfishing is really tops there now, as the photo here testifies. These two lucky anglers, Claude Fisher (left) and Willis Chilcoat, brought in bass weighing up to seven pounds and cattfish at three-and-a-half. They parked their trailer right on the bank of the river, they said, made camp and just threw their lines in. Sounds easy, huh? Most of the bass were caught on yellow and black Sonics.

B. J. Scott, reporting from up north at Rio Vista: "Went out cattfishin' today and got limit in two hours. Cattfish can be caught most any day, weather permittin'."

Scotty's great for crawfishin'. It's probably a new type of fishing to most of you but let me tell you that meat is delicious—sweeter even than shrimp. He traps them from the river using three traps made of "Hardware Cloth" about 18 inches in diameter and 36 inches in length. The crawfish entrap themselves when they enter the coned noses on either end to get at the bait, usually old sardines or carp. If you didn't know what you were eating, you'd think it was the best shrimp you ever had.

Striped bass fishing will be opening soon. When Scotty gives us the "ready" signal, we'll pass it along.

We heard a report that White Sea Bass were hitting Monday. A check at Pierpoint with the honest folks there disclosed that one boat took in 47 small ones but they were not schooled up yet and therefore not much to get excited about. We'll get the word when the run is on.

Six of our local boys fished in the big Rafu Perch Derby last Sunday in three-man teams. Carl Hanni, Fred Bickar and Al Coast made one team and fished south but got only nine counters. Tut, tut, fellas. Ray Hawkes, Ernie Strong, and Jack Lund made up the other getting 23 counters by fishing north. The first team was spotted three hours but were still unable to beat the H-S-L trio. Unfortunately, neither of the local teams won. Gardena Sporting Goods' Rod & Gun took first and second prizes, the first team getting limits totaling 56 pounds and averaging about two pounds each. They fished the Ventura area. So, Perch Fishermen, better HEAD NORTH.

We enjoyed some mighty tasty crappie from Lake Isabelle for dinner. Compliments of K. P. Meyers who reeled them in. Excellent fishing up to one-and-a-half-pounds, he said. He used "Go Getters" with meal worms—irresistible to those crazy Crappies. He also saw several nice strings of bass. But the weather is cold. Better wear your longies.

"Our" gal writes from Mazatlan, Mexico, that Marlin and Sailfish boats are coming in really LOADED (with meat, not tequila). Those few fortunates who are able to make it better pack your gear.
